25 Points 3 Attempts Left

This **Interactive Quiz** is designed to help you practice and reinforce your learning. This quiz consists of multiple-choice questions and is a great way to test your understanding of the course material.

How to Begin:

To start, review the quiz details, such as the points per question and the number of attempts permitted mentioned above. When you feel prepared, simply click the **Start Quiz** button. As you work through the quiz, answer each question to the best of your ability.

To answer a question, simply select your chosen answer option and hit the **Submit Answer** button. Once submitted, you will not be able to modify the answer. After submitting each answer, you can click the **View Solution** button to see the correct answer and gain valuable insights.

Once you've submitted all the answers, hit the **Submit Quiz** button to end and complete the quiz, after which you'll receive a detailed score report that highlights your performance and areas where you can improve.

You can navigate back and forth by using the number buttons on the left of your screen. At any point if you're unsure about the answer to a question, you can **Mark for review** and revisit it later before submitting the quiz at the end.

If you feel a question or its options are erroneous, use the **Report** button to report it to our team for review and redressal. Please note that while quizzes display a score, it is not regarded as an assessment and its score is not counted towards your program's applicable exit criteria.

This quiz is a valuable tool to help you track your progress and solidify your knowledge as you move through the course. We wish you all the best!

Important Notes

- There are 5 questions in this quiz.
- Each question carries 5 marks.
- You get exactly 3 attempt(s) to complete the quiz.
- Starting the test will count as your first attempt.
- If you try to switch tabs or exit the test, you will receive a warning. There will be 3 such warnings on repeated attempts to switch tabs. On the fourth warning, the test will be automatically submitted.
